

## ROUTE #101 SUNSHINE COAST

### VANCOUVER / SECHELT / POWELL RIVER / LUND / SAVARY IS.

Highway 101 is the main highway along the Sunshine Coast. It starts in Lund, BC and works its way south to Horseshoe Bay utilizing both ferries. Lund is the start of the Pacific Coastal Highway. The route continues south over 14,000km to Chile, South America. This is not the Pan American Highway.

The southern and northern halves of the Sunshine Coast each have their own transit systems. The southern half connects with the ferry to Horseshoe Bay. Northbound however, transit runs only as far north as Secret Cove and does not connect with the Powell River Ferry. Powell River Transit does connect with the Earls Cove / Saltery Bay ferry 4 days per week.

Malaspina Coach Lines operates daily service from Powell River to Sechelt and onwards to Vancouver
