

ROUTE #18 COWICHAN LAKE

(NANAIMO) / DUNCAN / LAKE COWICHAN

Lake Cowichan is about 30 km long and has several communities located along its shores. Most of the area surrounding the lake is undeveloped forested area, and timber rights held by logging companies keep it that way. The area is remote.

Cowichan Lake is the main town on Lake Cowichan, with about 3000 residents, and is known worldwide for its amazing trout and salmon fishing. Hiking is another common activity in this region.

BC Transit is the only local bus provider to the Lake Cowichan area. West Coast Trail Bus also has a run from Nanaimo to Lake Cowichan for passengers en route to the West Coast of Vancouver Island. Trail Bus does not drop off in this region, unless you happen to be originating in Bamfield or Port Renfrew. For more details about Trail Bus, see Route #14 in this guide.
