

ROUTE #20

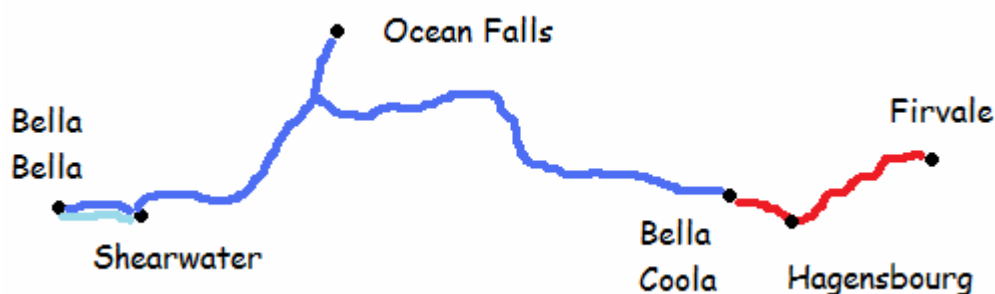

DISCOVERY COAST

SHEARWATER & BELLA BELLA / BELLA COOLA

The remote North Coast of British Columbia is famous worldwide for its salmon fishing and stunning coastal views from the water. This region has limited transportation options. The ferry between Port Hardy and Prince Rupert stops at Bella Bella, and this is where passengers transfer to Bella Coola. See route 10 in this guide for more information on this service.

BC Ferries operates the Discovery Coast Connector between Bella Bella and Bella Coola. A private water taxi also exists between Bella Bella and Shearwater, and operates several trips per day.

From Bella Coola, Highway 20 continues to Williams Lake. There is no bus service along Highway 20 except for BC Transit service between Bella Coola and Firvale. This means that without a vehicle, the only way in or out of Bella Coola is by ferry.
